

AMENDMENTS

Amendment to the Abstract

Please enter the following rewritten Abstract.

There is provided herein an invention that utilizes a themed template which is designed to assist novice video editors quickly compose a complete video work which memorializes a particular familiar occasion, such as, for example, a birthday, a wedding, a ~~trip~~ trips to the theme park, etc. The template for each such occasion will be customized with predefined cells that are annotated with descriptions of events that might occur during said occasions. A user will be able to drop his or her own video and/or audio clips taken at the occasions into the cells and, if this is done according to the annotations, thereby create a complete video work that memorializes the selected occasion.
